Authority: O.C.G.A. § 43-26-35(5)(6)(7) and 43-26-38(f)

The Board voted that the formulation and adoption of these rules do not impose regulatory cost on any licensee and any cost to comply with the proposed rules cannot be reduced by a less expensive alternative that fully accomplishes the objectives of O.C.G.A. §§ 43-26-35(2)(4)(9)(19), 43-26-37 and 43-26-38.

The Board voted that it is not legal or feasible to meet the objectives of O.C.G.A. §§ 43-26-35(2)(4)(9)(19), 43-26-37 and 43-26-38 to adopt or implement differing actions for businesses as listed at O.C.G.A. §§ 50-13-4(3)(A), (B), (C) and (D). The formulation and adoption of these rules will impact every licensee in the same manner and each licensee is independently licensed, owned and operated and dominant in the field of nursing.

There being no one in attendance for discussion on the posted proposed Board rule amendments, the Board proceeded with the adoption of the following Board rules, amended:

Ms. Tuggle moved, Ms. Hilliard seconded and the Board voted to adopt the above rule amendments as posted.
